			5,000	10,000	12,000
JLC, Inc.	Jim Dorsch	317-607-0923	???	\$ 75.00	\$ 85.00
<p>Jim is local firefighter from Carmel. He came to my home to survey to yard. He commented that we would need rain or watering to soften the ground otherwise he could not get good penetration. Overseeding for my size would be about \$50.</p>					
Naturescape	Ryan	317-577-2717	\$ 69.00	\$ 99.00	\$ 109.00
<p>I talked to Ryan on the phone. While on the phone he looked up a satellite picture to get the area of my yard. They also does overseeding, Lawn and Shrub Fertilization. Overseeding for my size yard was \$50. I had cut out an ad that listed the prices and included a package deal if you did all three. Ryan confirmed the prices. He offered a \$10-15 discount if we got several homeowners to do this at the same time.</p>					
Lawn Doctor	Dave	317-379-8885	???	???	\$ 169.00
<p>I talked to Dave on the phone. The only quote I got was for my lot. He was the only provider that can do power seeding which he recommended for bare areas. He seemed a littler high but did offer 10-15-20% discounts depending upon how many signed up.</p>					
<p>All 3 mentioned that if you are going to do overseeding it should be done on later the the first week of October. Aeration can be done until the end of October or possible later.</p>					
<p>I had collected several other names and did not contact all of them. These were the best prices found.</p>
